

Biography: Joni Holeman, CFPIM, CIRM, CSCP

Joni Holeman, an APICS member since 1998, has over 25 years of planning, materials management, and manufacturing experience in businesses ranging from custom lighting (ETO), value engineering, electronics (MTO & ATO), and remanufacturing (MTS). Each point along her career path prepared her for the concepts she now instructs. A professional trainer since 1998, Joni teaches the entire suites for all four APICS Fundamentals, CPIM, CIRM, and CSCP programs.

Joni believes that learning should also be fun. Her courses are known for their supportive environment,
