

DC Metro Chapter

Thank you for exploring the DC Metro Chapter's website!

You may not know this, but APICS includes nearly 50,000 professionals in 20,000 manufacturing and service industry companies worldwide who are committed to excellence in operations management. APICS, the Association for Operations Management, provides lifelong learning for career success through its certification programs, training tools, and networking opportunities such as:

- Annual Conference & Exposition
- Webinars
- Certifications
 - Supply Chain Professional (CSCP)
 - Production and Inventory Management (CPIM)
 - Integrated Resource Management (CIRM)

You may also wish to attend some of the professional development events or educational courses the DC Metro Chapter offers. For more details and times, check the current events section on the home page and the education page on the chapter website at <http://apicsdcmetro.org> .

If you have any questions or concerns, please do not hesitate to contact me at this e-mail address or any other Chapter Officer at the contact information available on the Web site.

Again, thank you for exploring the benefits membership in the DC Metro Chapter provide and we hope you'll join our almost 300 members as you enhance your professional career!
